ATTENTION

IMPORTANT INFORMATION FOR OUR CUSTOMERS:

Our Neapolitan style pizza with a high edge, soft and very light, highly digestible, is like this because the preparation of our particular dough lasts from a minimum of **48h** up to **60h of leavening and maturation** before being baked. After various and long researches, Robert, the owner of our company, testing and using different ancient techniques and special natural (live) yeasts mixed with a combination of different strengths and highest quality flours, managed to find a perfect balance between the leavening and maturation of our unique dough: the results is a special pizza that recalls the flavor of **an ancient recipe from over 80 years ago**.

ALLERGEN LIST:

We are at your disposal for any necessary information about the list of allergens.
